the backside pulse doped channel ... of algaas/ingaas modulation doped field-effect transistors ... effect transistors, principles/design/and technology ...

PATENT US7012274 - MODULATION DOPED THYRISTOR AND ...

Sun, 14 May 2017 21:35:00 GMT

... with an epitaxial layer structure comprised of two modulation doped transistor structures ... defines the capacitance of the field-effect transistor ...

FIELD-EFFECT TRANSISTOR - WIKIPEDIA

Sat, 20 May 2017 04:53:00 GMT

the field-effect transistor ... (modulation-doped field-effect transistor) ... is a class of sensors/biosensors based on isfet technology which are utilized to ...

MODEL FOR MODULATION DOPED FIELD EFFECT TRANSISTOR

Fri, 25 Nov 2016 23:59:00 GMT

model for modulation doped field effect transistor on researchgate, the professional network for scientists.

GAAS HEMT | FIELD EFFECT TRANSISTOR | TRANSISTOR

Thu, 18 May 2017 09:56:00 GMT

hemt, also called modulation doped field ... principles of the field effect transistor as a ... preliminary design of a algaas/gaas hemt. then the effect of ...
